## Dancefloor refurbishment!

Is your venue floor looking tired and dull? Why not get in touch and have your dance floor refurbished by our training technicians, who will bring your floor up to a show shine again. This process will remove almost all scratches from the floor. At the limited time bargain price of **£12 per 4ft x 2ft panel** or **£6 per 2ft x 2ft panel**.

Before

After

As you can see our refurbishment process gives your tired looking floor a new lease of life and increases your chances of repeat bookings from your clients.

Please note all floors are subject to Vat and delivery costs.
